

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

DOERS OF THE WORD - WOMEN'S BIBLE STUDY

All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

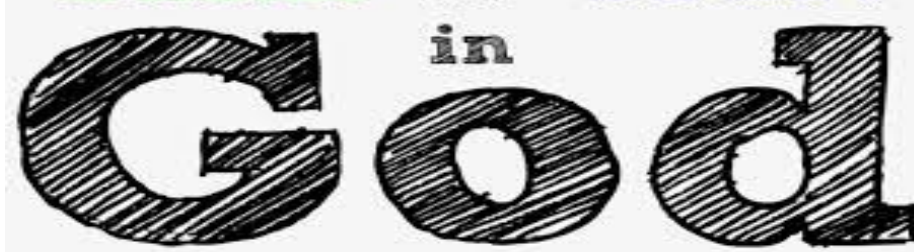

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

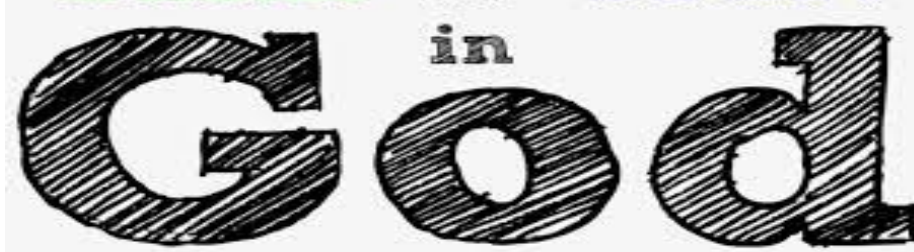

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

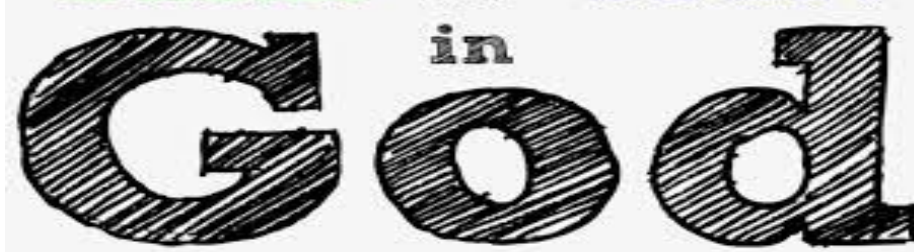

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

DOERS OF THE WORD - WOMEN'S BIBLE STUDY

All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. These are just a few of the ways you minister to those in need.

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

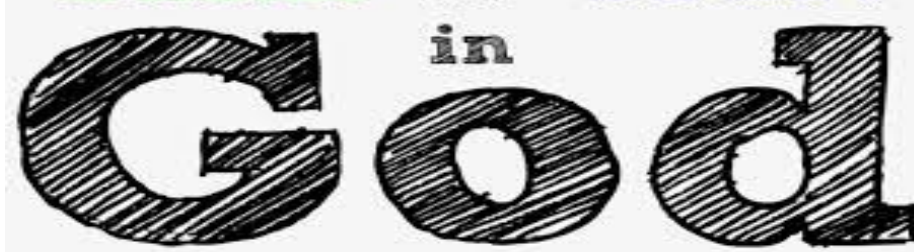

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

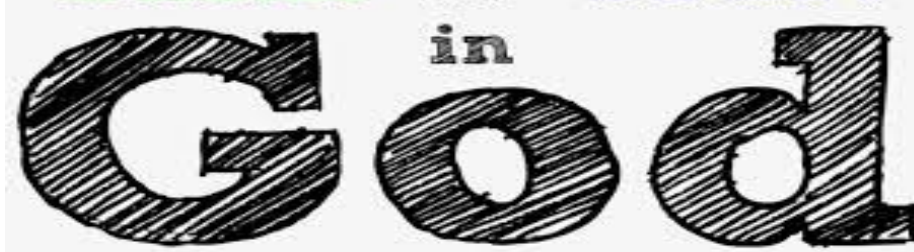

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Pastor Richard

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

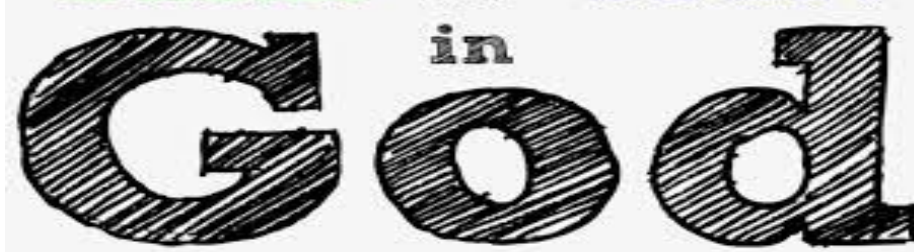

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Pastor Richard

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. ~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Pastor Richard

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

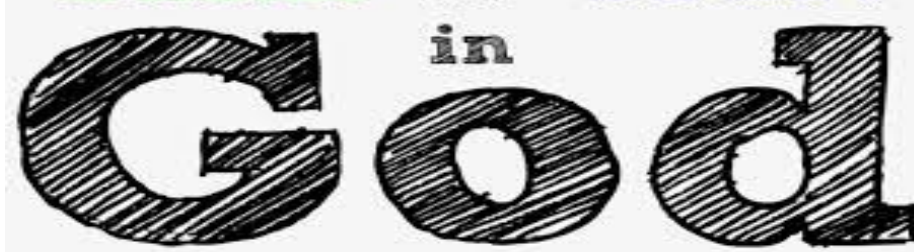

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

MARCH

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Pastor Richard

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

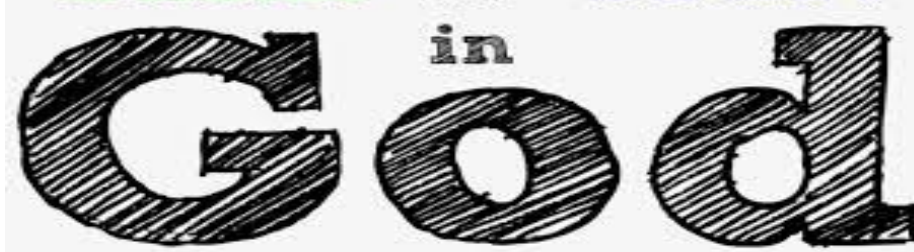

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

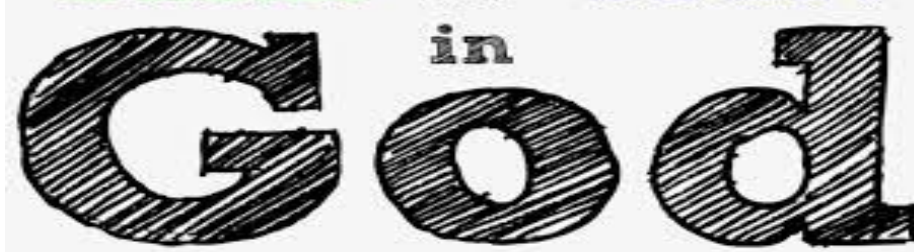

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
“*The time of my departure is at hand.*” I’m taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I’m using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I’ve struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he’d ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God’s guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muskogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

DOERS OF THE WORD - WOMEN'S BIBLE STUDY

All of our women are encouraged to be a part of our Doers of the Word group. We have a three-fold program of Bible Study, Prayer, and Doing Good in order to grow in our Christian walk, provide a strong prayer partnership, and reach out and act on our challenge to encourage and help others.

During these months of short days and questionable weather, we are focusing on one meeting a month (usually in day time). After March we will return to meeting on the 2nd and 4th Monday evenings of each month. Please join our group as we learn and grow together.

Please contact either Mary Etta Copeland (913-314-9362) or Karen Wall (913-669-1991) if you have questions or would like to join with us- - you may text or call.

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

Stepping Into The Future...

In II Timothy 4:6 the Apostle Paul speaks these words...
"The time of my departure is at hand." I'm taking these words out of its context. The Apostle Paul knew his death was very near, and was speaking of this departure.

I'm using these words to announce to you, my beloved, that the time for our departure from my position as Pastor of this our beloved Church Family, will be forthcoming as planned, now to be August 28th, 2022. I've struggled with this for about 6 months, described by Fred Jones as *dragging my feet!* And he was right! This opened the door for Mary Etta and I to discuss the decision we felt was time to make. It wasn't easy, but God did guide us in this decision, with the feeling that this will be best for the church as well as for ourselves.

Mary Etta and I must confess that we thought it would be fairly simple process, but how wrong we were! Another Pastor of our acquaintance, who recently retired, shared how much more difficult than he'd ever imagined.

Granted, it is not a simple process for the church either. However, it can be a time of revisioning, renewal, and excitement in seeking God's guidance into the future ministry of this church. Logistically and emotionally this will be a real challenge for Mary Etta and myself, but we must step forth as God calls us: and I am confident the you, the Disciples of Christ of this church, will step forth in Faith, also. I thank God that you have this faith.

Respectfully Submitted...

Choir Practices and Performance

~ March 6th practice at 10:00am / performance church service 11:00am

~ THE BEGINNING OF LENT ~

WHEN IS THE EASTER SEASON?

Lent is a 40-day period of fasting, repentance, moderation and spiritual discipline in preparation for Easter. In Western Christianity, Ash Wednesday marks the start of Lent and the Easter season. Easter Sunday marks the end of Lent and the Easter season.

March 2nd is Ash Wednesday, and we will have observed the Lord's Supper on the 1st Sunday of March (March 6th .) The following Sunday's leading up to Easter on April 17th will complete the season of Lent, which is a time of concentrating on the sacrifice which Christ paid for our sins. Therefore it is also a time of confession. It is also then, a time of rededication to Christ as our Savior.

It is our prayer that these worship services during this time will enhance each of you in your own spiritual journeys.

~ AMERICA FOR CHRIST OFFERING ~

Thanks to America for Christ Offering contributions, you've helped support communities distressed by the devastation of COVID 19 last year, as the pandemic swept our country and Puerto Rico. You've also helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty, and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways you minister to those in need.

These ministries take place through our Home Mission Stations such as Bethel Neighborhood Center in Kansas City and Murrow Indian Children's Home in Muscogee, Oklahoma. All American Baptist Churches participate in these offerings, as well as through Church

A MOMENT WITH JO

Joshua 24:15b, " But as for me and my house, we will serve the Lord."

James 1:2, "My brethren, count it all joy when you fall into various trials, **3**, knowing that the testing of your faith produces patience (endurance or perseverance). **4**, But let patience have its perfect work, that you may be perfect and complete, (lacking nothing.)

John and I were finally on the beautiful cruise ship, Celebrity Apex and we were walking around the upper deck as the ship began our journey to the Western Caribbean. The week before had been very hectic and I was looking forward to relaxing, having excursions, wonderful food, and evening entertainment. The 2nd morning at 5 a.m., music began playing on my phone in our living area, why I do not know?, I arose and walked into John's walker and let out a yell. John asked what happened and I replied that I think I broke my little toe. Our kind butler, Dino, came later took me to the ship Medical area and sure enough, it was broken. It was wrapped and I was told to elevate it for 24-48 hours with ice on it. Cancel all excursions, call for in room dining, and rest.

Later that afternoon, I went to our bathroom and fell on tile floor, hitting my thigh, hip, back. and head. John called Dino, who helped me up and back to my perch on sofa. I was a sad mess and I wanted to call our children and sisters for love, compassion, I and sympathy. I felt the Lord saying to me, "Why don't you call Me and we will visit? I knew I had a choice, I could feel sorry for myself, cry and complain. or trust in Father. We had a wonderful visit. I am very grateful to Him for inviting me to talk and share with Him. I told Him that He is always faithful, He is my Keeper , my Strength, and my Rock, and He only has good planned for me, I said to myself, "Buck up, Jo, and praise His Holy Name. The saga goes on and perhaps will share next month.

GREAT RESPONSE TO SOUP AND SOCKS

Once again our generous and giving church family has responded to people in need. Our **“Super Bowl Soup and Socks Drive”** was met with a great response from our church family.

Over **250 cans of soup** and **over 350 pairs of socks** were delivered to the Turner Baptist Church. Turner Baptist’s neighborhood “food and supplies center” began as a project to support and encourage a large “houseless” community encamped not far from the Church. Our donations were met with great appreciation and will be used to fill shelves in their basement which is now a distribution center for needy individuals and families.

A great **Thank You** to all who helped us with this project in any way - once again demonstrating our caring and generous hearts.

VACATION BIBLE SCHOOL

Though no specific dates have been set, we, once again, want to continue the long-standing ministry of the De Soto Baptist VBS which has been held every summer for close to 75 years- - except for the CoVid-plagued 2020.

Would you all prayerfully consider this critical outreach for our community as well as our church family? We ask for your prayers that our church family will provide leadership and commitment to this. We ask you to consider how you can personally be a part of this ministry. We ask that you give suggestions or encouragement to those people who have faithfully served in the VBS program for one year or forty years. I personally believe that our ministries to the children of our community can bring to us meaningful involvement with families as well as the children.

Our VBS program really falls under the umbrella of Christian Education. The members of our Christian Education Committee include Richelle Hodges, Donna Gulley, Vickie Haulmark, Mary Jo McDaniel, and Aaron Brownell. I know they would love to hear your thoughts, your encouraging words, your suggestions, and your support. As one of the coordinators of our VBS programs over the last 15 years, I also would appreciate your suggestions and your visions for what this program can bring to our church family as well as our community as a whole.

We will need to know preferred months, times, activities, themes - promotion ideas, favorite culmination ideas. . . anything to expand our thinking on making this year’s VBS impactful and inspiring for the children and for their families. We also need helpers in all areas. . . .feel free to let us know of your willingness to help in some area.

Everyone’s name, phone number and often email are in our church directory - or you can visit with anyone in our church services. Let your thoughts be known. Blessings and thanksgiving for the many who have helped us in so many ways over the years - you make a difference in the lives of all children who attend. Karen
