

FBC - Olathe

July 14 - 15

Cutting & Sewing Dome Covers

First Baptist Church, Olathe is hosting a "stay-near-home" mission trip to make dome covers to send to Global Servants, Rick and Anita Gutierrez in South Africa. These domes provide shade for seedling fruit trees or protection for quail, chickens and other small animals which can be sold to provide income for vulnerable populations.

We will be working in teams of 2 -4; measuring, cutting, and sewing. We are advertising this opportunity to Luther Rice Association churches, hoping a few people from several churches will join in this endeavor. We hope to have 20 people sign up. If more - WONDERFUL!

If you are interested in attending or bringing a team to this "stay-near-home" mission trip, could bring a portable sewing machine with you, or would be willing to provide lunch on Friday or breakfast and/or lunch on Saturday, please contact Mona Huggins at huggins.mona@gmail.com or 913-645-2642 by June 14.
