

About Our Fundraiser

We are a nonprofit 501(c)(3) that has been providing a safe, nurturing environment, spiritual foundation, and cultural experience to Native American children in crisis for over 100 years. These children are in out of home placement and in the custody of their tribes as a result of abuse and neglect. The brick project will be laid on the grounds of Murrow Home for everyone to view and appreciate. This fundraiser will help us continue to provide ongoing care and support for the children who come to live at Murrow Indian Children's Home.
